Hi Linda, Would Thursday at 11 am, or after 3 pm work for you?

Nathan

Thank you for the update on the review!
Also, please let me know when would be a good time this week for a quick update call about the site/purchase, etc.
Regards, Linda

Linda,

Thank you for these figures. Also want to confirm receipt of the hard copies sent via Fedex. Sorry for the delay in getting back to you – I was out of the office till last Wednesday. Please know that finishing the review of the closure report, including these

materials, will be my top priority next week. Hope you have a nice weekend.

Thanks,
Nathan

Subject: Pechiney - PCB Figures (Phase II)

Hi Nathan,

Please find attached the last set of PCB soil sample figures for the Pechiney site for the Phase II Area. These figures include:

- Figure 1 - Pre-underground demolition samples (with PCB Removal areas)
- Figure 2A – Pre and post sample locations (Color coded by elevation) – Phase IIA
- Figure 2B - Pre and post sample locations (Color coded by elevation) – Phase IIB
- Figure 3 - All post-demolition samples 0-5 ft
- Figure 4 - All post-demolition samples 5-15 ft
- Figure 5 - All post-demolition samples 15+ ft
- Figure 6 - Soil samples remaining in place (verification)

A hard copy of these figures will follow via Fed-Ex. Please let us know if you need any additional information.

Thank you, Linda
